CHANEL- CERIES RESEARCH AWARD 2016

INTENT

To honor excellence in research concerning the physiology or biology of healthy skin and /or its reactions to environmental factors.

CONDITIONS FOR APPLICATIONS

REQUEST FOR APPLICATION FORMS:	rt.award@chanel-corp.com Only electronic files will be accepted The Award Conditions must be sent signed by e-mail
DEADLINE FOR INFORMATION AND APPLICATIONS:	June 1, 2016
<u>AWARD:</u>	40 000 Euro
START DATE	March 2016
ANNOUNCEMENT DATE:	July 2016

AWARD CRITERIA

1. The CHANEL-CERIES Research Award supported by CHANEL Research and Technology is intended to honor the accomplishments of a researcher and to encourage his or her continued research activity. The field of research may be fundamental or clinical in nature and must concern the physiology or biology of **healthy skin** and/or its reactions to environmental factors. Projects focused on skin diseases will not be considered. The money granted must be used to accomplish the described research project.
2. Applicants should have a proven track record in the field of research, including the subject area of proposed research.
3. Applications must be typed in English and include:
 - the candidate's curriculum vitae (maximum 3 pages) and photo
 - a summary of the candidate's current research
 - a description of his or her projected research
 - a signed copy of the award conditions
4. Work may be performed at any hospital, university or other not-for-profit research laboratory.
5. The applications for the CHANEL-CERIES Research Award will be reviewed by a panel of experts. The jury's decision will be final and without appeal.
6. The selection process will take into account the following criteria: the quality and quantity of published research, professional recognition, evidence of sustained interest in the Award's intended scope of research, and the quality of the applicant's research proposal. Projects involving animal research are discouraged.
7. The awardee will be selected in June 2016. Only one Award will be granted. Award funding will be disbursed to the host institution in one single payment which will be made at the latest on September 30, 2016. The recipient will be personally notified of the decision to award him or her the CHANEL-CERIES Research Award.
8. All applications should be sent to: rt.award@chanel-corp.com
Only electronic files will be accepted. The Award Conditions must be sent signed by e-mail.

The deadline for applications is June 1, 2016.

All applicants will be notified that their application has been received.

INSTRUCTIONS TO APPLICANTS
