# 3. Round Table

# ADF

Arbeitsgemeinschaft Dermatologische Forschung e. V.

## Instructions for participants:

Meeting Language: English

Presentation: max. 10-12 slides

Time of Talk: max. 10 min + 5 min Discussion

Theme of Talk: Topic and results of MA/PhD/MD thesis

Poster (A0, Portrait): Focus on models, using your current project as an example

→ In the poster sessions the participants shall discuss problematic methods or have the chance to find other students who are “experts” in methods or models, which they might need for their own projects
